Mr. Tommy Johnson of VDOT presented the monthly report. He noted that the first mowing along the primary roads was complete and they have cut approximately 80% of the secondary roadsides. He advised that crews are also cutting brush and have applied weed killer in various locations. Mr. Johnson noted that they are continuing work on Battes Road and just started improvements on St. Johns Church Road.

The monthly School Revenue-Expenditure Report was reviewed. School Administrators also sent a request for the use of the remaining $14,014.25 in the School Capital Outlay fund as a reimbursement for a bus engine replacement. Supervisor Zava explained that the School Capital Outlay fund was set up in case funds are needed for an unexpected improvements or repairs. He continued that the Finance Committee designated that Capital funds requests would be put before the Board for approval in advance of purchase orders or purchases occurring. Supervisor Hoover added that the fund is for emergency events that they are unable to afford and not to be used as a supplement to their appropriation. He requested that Ms. Gee notify School Administration, so that they understand the process for the upcoming fiscal year. He advised that when a need arises, they should bring it before the Board and the Administration Office will issue payment, if approved. Supervisor Hoover stated that although this request was not following the proper process, the need is appropriate for use of the funds.
Supervisor Hoover made a motion, seconded by Supervisor Edmonds and unanimously approved, to request for the use of the remaining $14,014.25 in the School Capital Outlay fund as a reimbursement for a bus engine replacement.

Supervisor Hoover made a motion, seconded by Supervisor Edmonds and unanimously approved, to close county offices on Friday, July 5, 2019 in accordance with the Commonwealth of Virginia Holiday Calendar.

Administrator Gee shared estimates from two paving companies to pave parking lots at the Courthouse Complex, the Tax Building and the drive around the dumpsite at the Courthouse. One quote was from Dixie Paving for a total of 173,600 for all three projects and the second was from Lanco Paving for a total of $150,000. Supervisor Zava stated that he recommended adding a good base of stone to the dumpsite rather than paving the area. Supervisor Edmonds commented that he believes the area should be paved. He added that some stone may need to be removed if they decide to pave it later. Administrator Gee stated that she would reach out to VDOT and CFS to get their opinions and recommendation on the best way to move forward with the dump site area. She asked the Board to consider accepting the quote on the other two areas of the project.

Supervisor Edmonds made a motion, seconded by Supervisor Hankins and unanimously approved, to accept the quote from Lanco Paving in the amount of $120,000 for the Courthouse Complex and $18,500 for the Tax Building.

Administrator Gee advised that the Landfill Committee would be meeting the following week. She noted that Meridian Waste was interested in modifying the Conditional Use Permit for the landfill. Meridian Waste would need to apply for a new permit since the current CUP is in the name of Container First Services. She added that the host agreement would remain in place and the CUP would be modeled after the current one but with some modifications from each party involved.

Administrator Gee advised that she was recently made aware that the Virginia General Assembly enacted legislation creating a locally-funded assistant Commonwealth Attorney’s position. The reason for the requirement is extra work load created by reviewing body worn camera footage. Commonwealth Attorney Robert Clement noted that he was just made aware of the requirement on June 4th and it must be in place July 1st. He proposed an agreement for the fiscal year 2019-2020 for the county to provide funding for an assistant two day per week to address the workload. He currently employs a part-time Assistant Attorney for three days a week, partially-funded by the Compensation Board. Attorney Clement is requesting to make the Assistant Attorney into a full-time position, with additional funds by the county, while still utilizing the funding from the Compensation Board. He added that there is a strong possibility that a full-time Assistant Attorney position will be fully-funded in fiscal year 2020-2021. Supervisor Zava questioned the amount of additional funding needed for the full-time position. Administrator Gee stated that it would be about $27,000 in additional funds. Supervisor Zava and Supervisor Hoover agreed that the Finance Committee would need to discuss this in more detail to determine where in the budget to move funds to accommodate the request. Attorney Clement stated the Compensation Board required an agreement on file by July 1st. Supervisor Hoover suggested holding a special meeting on June 27th to make a decision after the Finance Committee has time review and make a recommendation. Supervisor Zava stated that Frank Bacon, a key member of the Finance Committee, was absent. County Attorney Rennie suggested that the evening’s meeting be continued in order to satisfy any advertising requirements for a potential special meeting to be held on June 27th.

Administrator Gee provided the proposed FY2019-2020 budget. She stated that the only increase from the advertised budget was the addition of $2,000 for Piedmont Senior Resources. There were a few adjustments between line items but no change in the bottom line of $34,921,204.

Supervisor Zava made a motion, seconded by Supervisor Hoover and unanimously approved, to adopt the FY2019-2020 budget.

Supervisor Zava made a motion, seconded by Supervisor Hoover and unanimously approved, to appropriate the FY2019-2020 budget July 1, 2019.

Administrator Gee explained that in FY18 the Sheriff’s Department had $53,000 in General Fund operational budget vacancy savings approved for transfer to Emergency Services Capital Fund on 3/39/2018. The transfer was not completed. She requested action to balance the approved transaction.

Supervisor Edmonds made a motion, seconded by Supervisor Hankins and unanimously approved, to transfer $53,000 of the General Fund Reserve to Emergency Services Capital.

Administrator Gee advised that Circuit Court Clerk Gordon Erby requested the Board accept $22,000 from the Compensation Board and appropriate the funds to the Technology Trust Fund.

Supervisor Bacon made a motion, seconded by Supervisor Edmonds and unanimously approved, to accept $22,000 from the Compensation Board and appropriate funds to the Technology Trust Fund.
County Planner Glenn Millican presented his monthly report. He noted that five members of the Tobacco Commission would be visiting Lunenburg on June 25th. He reported that Senator Mark R. Warner met with Lunenburg Community Leaders on Friday, June 7th, 2019 for a round table discussion. He entertained questions from constituents throughout the county and provided an update on his legislative initiatives in Washington. Mr. Millican provided a list of Enterprise Zone Incentives payable for the tax year 2018. The total amount payable to five businesses is $24,519.15. Administrator Gee noted that a vote was not necessary as appropriation was already included in the budget.

Supervisor Edmonds made a motion, seconded by Supervisor Hankins and unanimously approved, to appoint Ms. Jessie Otey of Virginia Marble Manufacturers and Mr. John B. Mahaney Jr. of Kenbridge Construction to the Local Workforce Development Board for a term of 7/01/2019 to 06/30/2021.

Administrator Gee shared an updated list of the current CPMT Team and requested approval on the full roster as shown below.

- Cyntina Hines - Crossroads Lunenburg, Bernadine Abernathy - Court Services Unit,
- Dorothy A. Newcomb - Lunenburg DSS, Cindy DeBusk - Piedmont Health District,
- Christi DeFrancesco of Three Rivers TC - Private Provider Rep - 2-year Term: 01/30/19 - 12/31/21,
- Beth Tingen - Lunenburg County Public Schools, Edward W. Pennington - Board of Supervisors,

Administrator Gee advised that Nick Daniel submitted his resignation from the Piedmont ASAP Board. He recommended Sonya Ragsdale Blackwell, Deputy Lunenburg Circuit Court Clerk, to fulfill his term.

Supervisor Bacon made a motion, seconded by Supervisor Edmonds and unanimously approved, to appoint Mrs. Sonya Ragsdale Blackwell to fulfill the remainder of the term, which expires June 30, 2021, to the Piedmont ASAP Board.

Administrator Gee provided her monthly report. She noted that she had not received any reports of dumping at the St. Johns Church Road dump site since it was permanently closed on June 6th. Administrator Gee advised that Clerk of the Circuit Court Gordon Erby had offered to remove the large holly tree at the front of the old courthouse. The tree is overgrown and could damage new paint on the pillars of the structure. Clerk Erby discussed the removal of the tree with the judges and the historical society and all agree to remove it. He also requested permission from the Board.

Supervisor Hoover made a motion, seconded by Supervisor Hankins and unanimously approved, to allow Circuit Court Clerk Gordon Erby to cut and remove the large holly tree at the front of the old courthouse.

Administrator Gee advised that Lewis Welding & Construction Works, Inc. has requested to receive payment for resurfacing the tax building over three draw payments. She added that the original quote did not include awnings to cover the door and window at each office. The quote for two custom awnings is $4,200. Supervisor Zava questioned why the awnings were needed. Administrator Gee replied to protect the inside from water and sun. She noted that there is already damage inside the Commissioner of Revenue’s Office due to the awning being removed from storm damage.

Supervisor Hoover made a motion, seconded by Supervisor Hankins and unanimously approved, to approve payment to Lewis Welding & Construction Works, Inc. over three payments, one upfront, on their $33,015 contract and the addition of two custom awnings in the amount of $4,200 for the tax building.

County Attorney Rennie referred the Board back to the landfill report. He stated that per the Conditional Use Permit, incoming tonnage is restricted to 1,000 tons per day, however, the report shows the average incoming daily tonnage is over 1,000 tons per day. He recommended the Landfill Committee review the application for the modified Conditional Use Permit very carefully. He advised that both deeds had been recorded for the Gary Road Convenience Site. The next step would be to advertise for construction bids.
Attorney Rennie stated that the land purchase for a site in the southern portion of the county did not work out. He advised that once another location was found, a contract of intent to sell would be signed by both parties.

Supervisor Hoover made a motion, seconded by Supervisor Edmonds and unanimously approved, to enter Closed Session citing Virginia Code Section §2.2-3711A3 Acquisition or Disposition of Publicly Held Property and §2.2-3711A29 Contract Discussion for Services.
